

Declaration of Conformity

We hereby inform you that ATS N.V BU Vacuum Systems established at Langerbruggekaai 15 B9000 Gent Belgium is a recognized service center of Kowel for the repair and maintenance of the entire range of vacuum pumps, KDP and KDPH series.

It is guaranteed that original parts of the manufacturer will be used at any overhaul or repair.

The scope of work will be carried out strictly in accordance with the Kowel specifications as described in the maintenance manuals and other relevant documents like, product data sheets and VCN documents (Vendor Change Notice)

ATS will receive any update of the product which may require a revision of the repair procedure.

Yours faithfully,

Date Jan. 20th, 2023

J. W. Lee / President

Kowel Precision Co., Ltd.
